Steve B. attended the Manchester Coordinating Council meeting on Monday, September 23. In attendance was Chief Ellis of the Manchester Police Department. He informed the group that a turning arrow will be added to the traffic light on Route 70 and Manchester Boulevard. Also, signs that will flash the speed of an approaching vehicle can be obtained by completing an application with the police department. Steve will obtain and complete the paperwork to get two of these signs which will likely be used on Sunset and Deerfield.
