Rumor has it…

Have you heard about all the purchases made for the CV5 Clubhouse?

Recently the rumor mill has been actively churning out misinformation about whose money is paying for many purchases made for our community clubhouse.

YOUR money is <u>NOT</u> being spent to fund these purchases.

The Residents Club is an entity that is separate from the HOA. They sponsor many events including Bingo, a monthly Flea Market, Dances, Concerts and special guest speakers. All profits earned by hosting these events are used to pay for many of the upgrades and replacement items in our clubhouse. The Residents Club is made up of dedicated members of the CV5 community who volunteer their time and talents to provide enjoyable social activities for us all. In so doing, the money they raise helps to pay for needed renovations, improvements and replacement items in our clubhouse. This in turn allows these improvements to be made with no negative impact to HOA maintenance fees.

Here are just some of the purchases made with Residents Club proceeds:

**New furniture in the Clubhouse lobby * New flooring in the Clubhouse **
** New ADA compliant doors for our residents with disabilities **
** New kitchen refrigerator, freezer and stove * New audiovisual system **
** New exterior lighting * Landscaping around the Clubhouse **
** New kiln for the Ceramics Club * New stage curtains*

Residents Club members don't ask to be thanked for their generous contributions to our community. That's probably why so few of us know that these purchases are the result of their hard work & not paid for with our monthly maintenance fees.

Make new friends. Make a difference.

The Residents Club is always looking for new members. You don't need any special skills to join. You just need a desire to help create enjoyable social events, build community & have fun with your CV5 neighbors. We meet the second Tuesday of every month at 2PM in the Main Hall of the Clubhouse. If you're interested in becoming a member we look forward to meeting you soon.

Food Pantry

NEIGHBORS HELPING NEIGHBORS!

Our food pantry was created to help our residents that for whatever reason just need some help. We are not a substitute for all grocery needs, but we do provide some much-needed assistance during difficult times.

If you find yourself, or know of a neighbor, that needs our help just say so. There is no shame or embarrassment in asking for help. Just leave a private note with your (or your neighbor's) name, address, and phone number. Someone from the pantry will contact you.

At the same time, we ask our residents that can, to please donate to our pantry. We can rehome non-perishable food products, shelf stable milk, canned fruit, canned chicken, paper goods, pasta, etc.

You can simply drop these things by the food pantry door. We can also accept monetary donations and gift cards as we use them to buy things like eggs and bread, etc. Just leave them for the pantry at the office window.

Pharmacy Made Simple
By Rhonda the Rx Tech, CPhT

Behind The Counter:

What Patients Ask Most at the Pharmacy

Welcome to Pharmacy Made Simple! Every day at the pharmacy, patients ask us their top questions, concerns, and dilemmas. This column brings those answers directly to you in a way that is clear, practical, and easy to understand.

Q: *What should I do if my insulin pen locks up?*

A: The pharmacy cannot swap out defective pens. You must file a claim directly with the manufacturer, and they will issue a replacement voucher for the pharmacy to process at no cost to you. Be sure to keep the failed pen and its packaging for the claim.

Q: *Where do I return my filled sharps container?*

A: Most pharmacies cannot accept used needles due to biohazard safety regulations. Due to these safety rules, many hospitals accept filled sharp containers for safe disposal. Certain facilities offer an exchange program where you can trade a full container for a new empty one. Before going, check the hospital's website or call ahead to confirm the sharps collection schedule and drop off location within the hospital.

Q: *Why is my medication refill rejected as "Too Soon" when the doctor told me to take another pill daily?*

A: This claim denial happens because insurance plans track your refill date based on the original date and directions on file. When your doctor instructs you to take an extra tablet daily, you use your supply twice as fast. Unfortunately, the insurance company does not update this change in their system automatically. To resolve a "Refill Too Soon" rejection, the doctor must issue an updated prescription to the pharmacy so the team can submit a dosage change override to your insurance.

Q: *Why does my pill look different this time? Is it the same medicine?*

A: Yes, it is the exact same medicine. Pharmacies will change generic manufacturers based on cost and supply, which means your medications may vary in shape, size or color. Although appearances change, they must uphold the exact same requirements for active ingredients, strength, and safety. It is the same trusted medicine, just from a different manufacturer.

Q: *Can I get a 90-day supply of my medicine instead of a 30-day supply?*

A: In many cases, yes. Changing to a longer supply is a great way to save time and often reduces the copay, provided that your insurance plan covers larger fills for that specific drug. To make the switch, your physician would need to write a 90-day supply quantity on the prescription rather than a 30-day supply with refills.

Q: *I am out of my blood pressure medication and my doctor's office is closed. What can I do?*

A: If you run out of an essential daily medication and your doctor's office is not available, you can ask a staff member at the pharmacy about receiving a courtesy supply. Pharmacies can provide a three-day supply to bridge the gap until a new prescription is sent by your doctor. This protocol only applies to non-controlled maintenance medications.

Your local pharmacy team provides clear answers and peace of mind to daily questions. Please email comments or topic suggestions for a future article to Pharmacymadesimple.tech@gmail.com. We Look forward to hearing from you.
